REGISTER: To register, complete the following steps:

1. Once you have downloaded the App from the store for your particular device, the WellConnect icon will appear on your home screen 
2. When launching the App for the first time, you must click on the registration button in the lower right.
3. You then need to fill out the fields on the registration form. You need to create your own username and password keeping in mind that both fields are case sensitive. The only field that has been pre-configured is the Organization Code. You must input **Agnes Scott** as the organization code to complete the registration. (See photo to the left)
4. You will then be taken back to the initial log-in screen where you can now input your username, password and the Org Code (**Agnes Scott**) and you will be able to access all the features of the WellConnect App.
